Sir:-

It is noted that Mr. F. W. Kirsch obtained entry for the land above described on the 10th June. I would advise you that Mr. Kirsch incurred a seed grain lien for $43.91 with interest at 5% from the 3rd May, 1915, on the security of the S.E.34-40-5 5th. Same, I might point out, is a correct charge against the land above described. I would ask you, therefore, to kindly have this lien recorded against same.

Persons who are debarred by law from obtaining naturalization for a period of ten years after the close of the late war and persons who are unable to obtain naturalization because of insufficient knowledge of English or French, may apply to any Judge of any Superior Court or any Circuit, District or County Court for a Certificate in Form K. The value of this Certificate and the method of obtaining it are fully set forth in the memorandum enclosed.

If you are prevented from securing naturalization, as above specified, you are hereby required to make immediate application to the proper Court for a decision that you are qualified and fit to receive patent, as far as naturalization is concerned. When making such application please ask the Clerk of the Court to complete the enclosed form and hand the same to you. The form, after being filled up as directed by the Clerk of the Court, is to be returned to this office.

Dear Sir:

re: S.E. 27-4[illegible]-5 . 5th Mer.

This will acknowledge your letter of January 14th, 1[illegible], forwarding us a copy of a letter from the Metis Lumber of [illegible] Lands in which it is stated the above matter section will be cleared of all encumbrances.

This letter was written in reply to a request from Mr. F. W. Airsch that the caveats filed by J. . [illegible] the National Trust Company be removed from the title to the S.E. 27-4[illegible]-5 W. 5th Mer. This letter did not refer to the federal government lien which was taken to secure an advance of seed grain to F.W. Airsch in 1[illegible]. This lien for $[illegible].95 was originally taken on the S.E. [illegible]-40-5 W. 5th Mer. and by its nature would be registered against any property registered in the name of the said F.W. Airsch. Our account for these advances stands:

In order to assist your client in clearing the title to this matter section, if we will receive $[illegible].73 the Minister in Adjustment Board will be asked to recommend that the S.E. 27-[illegible]-5 W. 5th Mer. be released as security for this lien. Payment of this amount should be taken in favour of the Receiver General of Canada and forwarded to the undersigned.

We have been advised by Messrs. Scelure and Kirby, solicitors acting for Mr. Ltd., that there is still a caveat filed by J.H. [illegible] against the above quarter section.

A notice was sent to your office on 24th April, last, giving authority to cancel all previous encumbrances with the exception of the Federal liens. Mrs. Robinson's lien was not then removed from the title but it is requested that it be done at your earliest convenience.

Re: account of F.W. Airsch
S.W. 34-40-5 W. 5th Mer.
N.E. 27-40-5 W. 5th Mer.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain in the amount of $46.95 was advanced to F.W. Airsch on the security of the above described land. In 1921 a payment of $10.00 was received and applied against the interest. The present standing of this account is:

Principal	Interest	Total
$46.95	[illegible].01	$115.96

On 10th January, 1949, Messrs. McClure and Airby, Barristers, Red Deer, Alta., wrote on behalf of Mr. Airsch as follows:

"We enclose herewith a copy of a letter written by the Acting Commissioner in 1[illegible], relating to the above mentioned lands.

We find that the Deputy Registrar of Dominion Land Patents registered a lien with the above mentioned lands on January 10, 1929, which lien was executed by Frederick William Airsch on May 3, 1915 for $46.95 with interest at 5%.

Apparently this encumbrance was not removed pursuant to the undertaking given by the acting Commissioner and Mr. Airsch now wishes to transfer title to these lands and cannot give a clear title owing to this lien. It is requested that immediate steps be taken to remove this lien in accordance with the undertaking given by the acting Commissioner.

We might point out that Airsch is in receipt of a war pension and is in urgent need of the proceeds from the sale of this land, which are being held up pending the removal of this lien."

In explanation of a misunderstanding of the status of this lien as disclosed in the above letter we stated that the Acting Commissioner's instructions with reference to the withdrawal of certain liens applied only to the caveats wrongfully registered by a Mr. J.A. McDonald and by the National Trust Co. and do not affect the Federal liens.

Mr. E.N. Nedlen,

Seed Grain Advisory Board.

Re: Account of F.W. Kirsch,
S.W. 34-40-5-W.5th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $46.95 was advanced to F.W. Kirsch on the security of the S.W. 34 and N.E. 27-40-5-W.5th. Payments of $10.00 and $67.98 were received in 1921 and 1949, respectively, and applied to the interest. Under authority of Order in Council P.C. No. 54-1577 dated the 31st of March, 1949, the N.E. 27-40-5-W.5th was released as security for the lien on the payment of $67.98 and the balance of the indebtedness retained as a charge against the S.W. 34-40-5-W.5th. The present standing of this account is:-

Principal	Interest	Total
$ 46.95	$ 21.01	$ 67.96

Patent was issued in the name of Frederick William Kirsch for the S.W. 34-40-5-W.5th on the 21st of August, 1914, and later became subject to the 1915 lien.

In 1928 the land became subject to mortgage foreclosure proceedings and title was acquired by Ass. Mortgage Investors. We have been advised that this parcel has been under title since 1946 in the name of a Mr. Wendel P. Johnson who occupied this land prior to 1939.

This quarter section is only assessed for $61[illegible].00 and there is only 45 acres being cultivated. There is also an accumulation of $237.08 arrears of taxes outstanding against the land. As such the land no longer offers any security of value for our lien.

Under the circumstances and in view of the substantial payments already received it is recommended that the balance of the indebtedness be cancelled and the lien discharged.

SOLDIER GRANT

S.S.I. Title 4-[illegible].

[illegible]

[illegible] - [illegible] February, 1921.

Memorandum:

Report for Title under Order in Council of the 4th June, 1921, where Title is issued by soldier settler.

Re: Frederick G. Towsend,
N.E. ¼ 17-56-2 W. 5th M.(S.I.)

The above-described land is the interested soldier grant of this settler.

The settler has obtained advances from the Board totalling $1880.00, as follows: stock and equipment, $1157.36; permanent improvements, $722.64; as security, the Board holds a charge on the above-described land. The only other land security held by the Board is first mortgage on the S.E.¼ 20-56-2 W. 5th M., the settler's pre-empted homestead.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the Settler, dated the 2nd February, 1922".

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1151, provide that upon completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also gives the settler to negotiate a sale of the land with a view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is not now on file to show that the settler desires to make title (patent unconditional) in order that it may be held by the Board as security for the advances, as appears to be the practice in the case of a mortgage.

[illegible] the provisions of the regulations [illegible] of the Board to [illegible], [illegible] 17-56-2 W. 5th M. as [illegible] ultimately paid.

[illegible]

The Honourable Charles Stewart,
Minister of the Interior,
Ottawa.

[illegible].

To [illegible]:

"settler" within the meaning of The Soldier Settlement Act, 1919, who holds under entry a parcel of Dominion Lands, namely, the [illegible] on which a charge has been imposed, substituted or created under the said Act, has complied with the conditions of his entry to entitle him to receive Letters Patent for the said land and has the charge in good standing as aforesaid.

And whereas, pursuant to an application made by the said [illegible], who is residing on the said land, the Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1919, P.C. 1381.

NOW KNOW YE that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council of the 4th day of June, 1919, P.C.1381, declares the right, title and interest of His Majesty in the said land, except mines and minerals whether solid, liquid or gaseous, to be vested in the Soldier Settlement Board of Canada.

Dated at Ottawa this [illegible] day of [illegible], 1920.

Chas. Stewart.

Minister of the Interior.

MEMORANDUM:

Title to the above land has been vested in the Soldier Settlement Board under the provisions of the Order-in-Council of the 4th June, 1921, (P.C.1821).

Kindly have the necessary action taken to have patent for this land issue in the name of the Board.

Date of entry, 27th July 1911.

I submit this case in accordance with the instructions set out in the Deputy Minister's Memorandum of the 7th of June last. (Market)

This quarter section is required by the Canada Northern Railway Company for townsite purposes. Messrs. Davidson & McRae General Agents of the Company have remitted the sum of $480.00 in payment therefor.

On the 12th of April last, the Agent at Edmonton instituted cancellation proceedings on instructions from the Department against the entry of Mr. McCaulay therefor. In his defence Mr. McCaulay stated that he was anxious to retain the land and that as soon as the Railway was in operation he would establish residence. Owing to the difficulty of reaching the land it was impossible for him to fulfil the duties at present.

A Homestead Inspector was asked to report and according to the information which he has now furnished Mr. McCaulay has performed no residence nor made an improvements.

The Inspector makes the following remarks,

"He lived on the land during
"the construction of the C.N.R. which
"crossed this land. There is
"about 15 acres cleared on the E ½ but
"I am told that it was cleared by the

Letters of Administration

OTTAWA - [illegible]

Subject:

Request for Title under Order in Council [illegible] June, 1919, where lands were granted as soldier settler.

Re: W. W. Bennett, (Deceased)
S.W.¼ [illegible] W. 1st M. (S.S.)

The above-described land was the unpatented soldier grant of the deceased settler.

Subsequent to the original loan approval in his favour on the [illegible] August, 1919, the settler received advances from the Board totalling $[illegible], as follows: permanent improvements, $[illegible]; stock and equipment, $1[illegible]; special advances, $1[illegible]. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a portion of the S.E.¼ [illegible]-6 W. 1st M., the settler's privately owned quarter.

Subsequent to the death of the late settler on or about the 16th April, 19[illegible], administration of the estate was granted to Mr. [illegible] Dicken, Administrator of Estates for the Province of Alberta. The Board is informed that the duties in connection with the soldier grant have been completed and that the Administrator would be entitled to receive patent but for the settler's debt. This is confirmed by the letter from the [illegible] of [illegible] Limited to the Administrator dated the 4th September, 1[illegible].

The regulations approved by the Governor in Council [illegible] June, 1919, P.C. 1[illegible], enable the Minister, on application by the settler and if the consent of the Board is first obtained, to cancel an unpatented Dominion land grant held by him if the Board, after examining into the Board until the settler's indebtedness has been repaid. Such transfer if made would enable the person to whom it is transferred to obtain patent for the land without [illegible] the settler's indebtedness to the Board.

The [illegible] Administrator [illegible] the Board [illegible] the land [illegible] the Board is under [illegible] that it may be used to the Board on account for the advances granted and interest [illegible] it is [illegible] to cancel the grant [illegible] opportunity arises of a [illegible] sale.

[illegible] the provisions of the [illegible] referred to, [illegible] proceed [illegible], until the [illegible] [illegible] the S.W.¼ [illegible] W. 1st M. [illegible] visited [illegible] [illegible].

With reference to your letter of the 7th ultimo, enclosing among other things a transfer from Anna Nella Moar to Joseph J. Boulanger of the N.W.¼ of section 11, township 70, range 7, west 4th Meridian, I am directed to call your attention to the fact that such transfer is signed by Anna Nella Moar by mark, while her application for scrip and her receipt therefor, which are on file here, are signed by her in the ordinary way. Your attention is also called to the fact that Anna Nella Moar, the grantor of the scrip, is the wife of Arthur Mercer and her place of residence according to her application for scrip, above referred to, is Cross Lake, while in the transfer she is described as of Grouard. The transfer in question is, therefore, returned to you, herewith enclosed, in order that it may be signed by Mrs. Mercer in her own handwriting. It will also be necessary to furnish the Department with an explanation of the above discrepancies.

The abstract, which accompanied your letter under reply, is also returned to you herewith, as the land is incorrectly described therein as West of the 4th meridian instead of West of the 6th meridian. This error it is observed has also occurred in the description of the land in the transfer.

Memorandum:-

In reply to Department of the Interior Reference No 2101115 of 28th June, instant, on the subject of Mr Van Malder's claim for Land Grant, it has to be said that Mr. Van Malder is entirely in error as respects his Regimental Number. There was no such number as 659, nor even 459, in the 1st Ontario Rifles.

A Medal for Fenian Raid services and Red River Expedition was issued to Thomas Van Malder some 11 years ago, and was sent to him at Rochester, N.Y. The production of that Medal will perhaps be the best proof of his identity, and that he can easily do.

of Cowley Province of Alberta

Solemnly declare :—

That I made entry for the above-mentioned land as a Homestead

at the Dominion Lands Office at Calgary on

the 17th day of August 1911,

and I now ask to have entry cancelled for the following reasons, namely :—

(State exact reasons.) Land is too low, more than half is under water this year.

(State whether you have ever resided on the land, and if so, when.) Occasionally

If this question is not answered, abandonment will be considered unconditional and land will be disposed of by Department (Local Agent may)

(State whether you have cultivated any part of the land, and if so, how much.) Ploughed on land six months in 1912 and two months this year.

(State whether there is any hay land, and if so, how much; whether there is any timber, and if so, what kind; whether there is any water, and if so, what kind; whether there is any coal, and if so, what kind.) Created grass hay land of 3 or 4 tons with water and ploughed soil, which value without water is ($10.00) Other reason is when years in which half crop has been entirely two years on the rest of the land did not crop for wild with the exception of a portion of a quarter, which also has been cleaning the value of these improvements is from. ($15.00)

(State if interested in any other entry or patent for other land.) No other operations.

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

Dear Sir:

I wrote to the Department of Lands and Forests, of Alberta, requiring information concerning my age at the time of making application for a homestead entry in Alberta. However, it wasn't located there, and they suggested that you may have the information.

I made application for a homestead in Alberta in 1913 - 14. The location or approximate location was 20-35-19 - 4thW. If this information is available a duplicate copy would be appreciated, or a statement stating my age at the time of making application for the land.

Yours truly,

D. F. Burford.

Memorandum:

REQUEST FOR TRANSFER OF DOMINION LAND.

RE: Walter Abbott Spencer - 183506
N. W. 5. 35. 3. West 4th (HSD)
- Calgary District -

On the 8th April 1920, the Board approved of the purchase of the S.E. 5. 35. 3. W. 4th on behalf of the above named settler, for $3500. Of this amount, Mr. Spencer paid $350. and the Board advanced the remaining $3150. The Board also advanced $2682.35 on the settler's behalf for the purchase of stock and equipment and permanent improvements. As additional security for the foregoing advances, a charge in favour of the Board was created on the settler's homestead entry.

In the fall of 1921 the settler abandoned the proposition and in order to protect its interests, the Board was compelled to institute adjustment proceedings, the agreement of the settler being rescinded pursuant to a Thirty Day Notice addressed to him on the 28th November, 1921. A loss of $2000.23 was sustained on the resale of the stock and equipment purchased for the settler and as both quarter sections have recently been jointly appraised at $2913. only, it is obvious that the Board will be unable to recoup itself by the sale of the purchased quarter section alone. It will therefore be necessary for the Board to obtain title to and dispose of the homestead entry, in order that its advances may be recouped insofar as is possible.

The land in question being "charged land" within the meaning of Section 27 of The Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the Agreement made with the Board, it is hereby requested that the right, title and interest of the settler in the above land be forfeited, and that the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said "charged land" be vested in the Board.

A Vesting Order for your signature is attached hereto.
